Paver	600 x 400 x 30mm	4.17	81kg	16.30

COLOUR RANGE*

Bluestone

*Colours are an indication only. Always sight physical product colour samples before purchase. Due to thickness variations of natural stone we recommend laying with a 3-5mm gap using a tile spacer on a soft sand base. See our *How To Lay Wet Cast Concrete Pavers and Natural Stone Pavers On Sand* guide for details.
